

# King Thinking

Giant Rooks

You might guess I'm thinking  
But I'm only blinking  
Can't be your corner stone  
I'm more like crumbling stone  
You're in the hospital  
Ana wants you to leave soon  
So why should I stay here?  
So why should I stay here?

King thinking blinking  
King thinking sinking  
I'm coming home  
King thinking blinking  
I'm coming home  
King thinking sinking  
Blinking

This life's like an escape room  
Five ghosts are in the same room  
Give the monster somethin' to eat  
Now we are common like a trap beat

Try solving riddles in China  
Gettin' free like the hill myna  
Don't wanna be cruel but I warn ya  
All this inspires my mania  
And you are still on my mind  
I'm sure you'll get through this time  
I'm sure you'll be alright  
How can I stay close?  
And you are still on my mind  
I'm sure you'll get through this time  
I'm sure you'll be alright

How can I stay close?  
By your side  
By your side  
By your side  
I keep thinking, blinking  
Keep thinking, blinking  
(Thinking, blinking  
Keep thinking, blinking  
Keep thinking, blinking)
