

Misinterpretations

Giant Rooks

I'll never let you go
Now we flow in a way
That I'd say is just terrible
I won't lift my head today
What a time to be fine
And to try to feel miserable

Misinterpretations
In every breath I take

Another day on earth to try
To make a sense of other lives
Don't know why we're heading west
I'm gonna fall and I'll shake it loose
In the end when I
Look back I think I'll say
It was worth a try

How long
How long
Can I fake it?
Oh-oh-oh
How long
How long
Till they hate me?
More of what I cannot grasp
More of what I cannot grasp

I'll never let it show
Where we go I don't know
But I think I've been here before
I won't lift my head today
What a time to be fine
And to try to feel miserable

Misinterpretations
In every breath I take

How long
How long
Can I fake it?
Oh-oh-oh
How long
How long
Till they hate me?
More of what I cannot grasp

Tell me, why should I believe in what my eyes can't see?
No one's handed me the key yet I'm breaking free
Taking a step back in time
Throwing up thoughts I thought were mine
Again I'm above water but I cannot breathe
Let the ritual begin 'cause it's time to bleed
Taking a step back in time
Throwing up thoughts I thought were mine

How long

How long
Can I fake it?
Oh-oh-oh
How long
How long
Till they hate me?
More of what I cannot grasp
More of what I cannot grasp
More of what I cannot grasp

How long
Till they hate me?
More of what I cannot grasp
How long
Till they hate me?
More of what I cannot grasp
