## Figura Serpentinata (Pycnopodia Sapien)

**Giant Squid** 

Don't let them know what the child can do Put him to sleep with the strongest brew And make him more symmetrical

Burn all the pieces, leaving not a quantum

Don't let them know what the child can do Growing back three where there was two And keep his reach contralateral

Don't let them know what the child can do Cover him in ochre to hide his Linckian blue
