

# Believer

Giant

I didn't get no mercy  
I was beat up, knocked down, rolled around  
I was carried out  
I'm not broken hearted, but I do admit it hurt like hell  
It was below the belt

But there's still some fight left in me  
I'm up all night can't take the heat  
I'm throwing in the towel, I'm starting' all over  
Yeah, I'm starting' all over

Cause I'm a believer  
I've got the strength to carry on  
I'm a believer in love  
I'm a believer  
I've got the strength to carry on  
I'm a believer in love

You give me something better  
You give me something I can hold on to  
I'm holding on to you  
There's no stormy weather, I've finally found my paradise  
And it's in your eyes

I don't know psychology, I don't know much theology  
If I fall I get up again I'm starting it all over  
Yeah, I'm starting all over

Cause I'm a believer  
I've got the strength to carry on  
I'm a believer in love  
I'm a believer  
I've got the strength to carry on  
I'm a believer in love

I'm a believer  
I've got the strength to carry on  
I'm a believer in love  
I'm a believer  
I've got the strength to carry on  
I'm a believer in love
