Gideon

Hell no  
Feelin' like I sold my soul  
I'm about to lose control  
Been breakin' my back  
Do this, do that  
Well, hell no  
I'm not a fuckin' rat in a cage  
I'm about to go insane  
And the only one who knows it is me

(I've been feelin' every bump in the road)  
(I've been feelin' every bump in the road)  
I've been feelin' every bump in the road  
Mama prayin', wishin', tellin' me to come back home  
(I've been feelin' every bump in the road)  
But I know that she don't know  
I'll be half dead  
By the time I reach new hope, new hope

I do it for the hate, what  
I do it for the pain, bring it  
So you won't  
So you don't  
Get closer to me  
I do it for the hate, what  
I do it for the pain, sing it  
So you won't  
So you don't  
Get too close

Don't get too close  
I'm coming to the edge  
So back the fuck up

I do it for the hate, what  
I do it for the pain, bring it  
So you won't  
So you don't  
Get closer to me  
I do it for the hate, what  
I do it for the pain, sing it  
So you won't  
So you don't  
Get too close

Mmmmm, mmmmm  
So you won't  
So you don't  
Get closer to me  
Mmmmm, mmmmm  
So you won't  
So you don't  
Get too close

All day breakin' my back  
I ain't never had shit  
Feelin' like I can't keep up

Can't keep livin' my life like this  
All night  
Up tight  
Can't find  
My mind  
Feel like a rat in a cage  
All day, all night

All day, all night  
All day, all night  
All day, all night  
All day, hell no
