

Deadbolt

Gideon

My Father,
Where are you now?
Wrap me in your arms
Cant go back,
to the way I was.
No one was there,
to lift me up.

Jesus, I'm sorry. So sorry.

Take you pride,
Take your sorrow
Throw it all away
Stop living for tomorrow,
You could be gone today.
All this world,
That you cant leave
Your life's a prison,
You cant break free.
