And you were put on the stage to sing his songs

What did that do to you mentally?

I've got some pictures I was just looking at awhile ago, and uh
, and

Of course I was a little boy

8, 10, 12, 14, 15, 16

And that's all I wanted to do

You know, I wanted to put on those boots and I wanted that hat
and I wanted everything

And I started doing these things I wanted to do, and

That's when it got kinda rough
