

If You Love Me, Let Me Go

Gideon

If you love me, let me go

Why is it so hard to leave my heart wide open?
What do I have to do to be listened to and not just heard?
Can you hear me now?
Can you hear me?

I've tried to move on and face the world alone
But I can't do this on my own

If I stayed, I would only be in your way
So let me go and I'll go on and on and on

So let me go

Disconnected, silence is deafening
Separated, out of touch from everything
Hope is heartache so what's the point
In the end it's always leaving me lonely

I've tried to move on and face the world alone
I can't do this on my own

If I stayed, I would only be in your way
So let me go and I'll go on and on and on
If I stayed, I would only be in your way
So let me go and I'll go on and on and on

Living in the unforgiving shadows of my mind
If you love me, let me go
If you love me, let me go

If I stayed, I would only be in your way
So let me go and I'll go on and on and on
Thinking of you every step of the way
Nobody answers when I call your name
If you love me, let me know
If you love me, let me
