

# Walk Alone

Gideon

I've wandered, I've strayed  
Left home, went searching  
So many questions remain  
This world left me cold  
Gave me a heart of stone  
It's safe to say I'm not the same

Renegade

The choice I made  
To walk alone, it's the price you pay  
I've grown into a thicker skin  
I've had enough of giving in  
Cause I'm a renegade  
This is the choice I made  
To walk alone and embrace the pain  
Born this way, die this way

Renegade

Too many fakes, too many frauds  
Nobody speaks for themselves  
Well I've been thinking, thinking it's time  
Time for me to rebel  
Cause I'm a renegade  
The choice I made  
To walk alone, it's the price you pay  
I've grown into a thicker skin  
I've had enough of giving in

Cause I'm a renegade  
This is the choice I made  
To walk alone, and embrace the pain  
Born this way, die this way  
A renegade (renegade)

I won't ask nobody for nothin'  
If I can't get it on my own  
So if you don't like the way I'm livin'  
Well just leave me alone  
Born this way, die this way  
Born this way, die this way

Renegade

I've wandered, I've strayed  
Left home went searching  
One thing remains  
I'm not the same
