

# All Spinach

Giggs

Two 16's and it's all finished  
Do this green and it's all spinach  
Dudes get cream and it's all killeys  
Abuse big queens and we're all killas

All realist, all sinners  
All gully niggas couple more killers  
Lights in the kitchen and they're all dimmers  
Pots get to cooking and they're all simmered  
Mixtape whack, your tracks are all fillers  
No real niggas need some more drillers  
Niggas ain't eating, need some more dinners  
Wigs get trimmer, need some more trimmers  
No foundation need some more pillars  
Niggas ain't Kakarot they more Krillins  
Know couple druggies but no more dealers  
More scary stories, nigga, more thrillers  
Big H, kill 'em, shit is so brilliant  
Man get money, nigga, all millions  
Big blocks billions and we're all villains  
When Big Bads ringing bells they're all ringing

Two 16's and it's all finished  
Do this green and it's all spinach  
Dudes get cream and it's all killeys  
Dude big greaze and it's all bidness  
Two 16's and it's all finished  
Do this green and it's all spinach  
Dudes get cream and it's all killeys  
Abuse big queens and we're all killas

You can act the roughest, act the toughest  
Back the biggest dogs and niggas slap the puppies  
Back the Bucky out and make a batch of duppies  
Hollowman's the cleanest but go back to scruffy  
Had to diss that nigga up, I had to cuss  
Had to ash to ash that nigga, dust to dust  
Pass the Courvoisier like Busta Buss  
Yeah, always talk the negative but what's the plus?  
Three big mean niggas, all steppers  
Smoke mad green, nigga, all methods  
Man breed spots, nigga, all leopards  
Kick down doors and get yours peppered  
Giggs modern life but man ignore heffa  
They say less is more so made it more lesser  
They said freshen up, I made it more fresher  
When Giggs drops a hit I'm bringing more pressure

Two 16's and it's all finished  
Do this green and it's all spinach  
Dudes get cream and it's all killeys  
Dude big greaze and it's all bidness  
Two 16's and it's all finished  
Do this green and it's all spinach  
Dudes get cream and it's all killeys
