

## Hard Freestyle

Giggs

I think that this the life that mummy wanted for me  
Let me know I could be anything I wanted to be  
And honestly I feel like this is promised to me  
Never thought rap will be filling up my wallet for me  
Yeah they finally acknowledging me  
Didn't go collage but I got abit of knowledge in me  
There's never been a fiend or alcoholic in me  
But I could be somewhere that I never really wanted to be  
So I'm smoking on that quality weed  
In the studio, rapping on this quality beat  
I'm gonna go down in history, historically  
They can't put me in a box I ain't a quality street  
I swallow the beat  
Come follow me, the best styles gotta be me  
Cop suttin nice, then I want a reciept  
Niggas don't give but wanna recieve

A moment of peace...  
Quick silence for my homies deceised  
All my niggas locked down and I want them released  
I jot down what I want them to see  
I'm hot now they didn't wanna belive  
Getting wop now on the top of my drink  
Shut down they ain't stopping my team  
I'm number one in the scene  
I was the runner up now u niggas running with me  
And its kinda funny to see  
That everyones acting funny with me  
Everyone thinks they went in trouble with me  
Its when u motherfuckers will see...
