

## Horror Movie

Giggs

Yeah

Illa, you've got a fucking horror movie here

Haha

Whole game's up for the taking  
Yeah, man's going hard and we  
We all been stars in the making  
Yeah, man's gonna start and we  
Started with world domination  
But right now, I'm at the bar with a  
With a Barbie in cute conversation  
And right now, I'm in a car with her  
Chick come with her man, she's getting taken  
And right now, I'm in demand with her  
She had the work permit and got the placement  
And right now, I'm gonna start with her  
Straps and the shells in the cases  
'Cause man wanna start with us  
Man's getting stamped on the pavement  
And getting dragged in the car with us  
Yeah, man's getting slapped in their faces  
What, man wanna arm with us?  
Man take it back to the basics  
Now man wanna start with us  
Man brought it to them niggas HD  
But man wanna SCART with us  
Man get distressed and get it dancing  
What, man wanna dance with us?  
Man wanna work and get the hits in  
What, man wanna chart with us?  
Man running over, getting kicks in  
What, man getting dark with us?  
Man had the bricks and got the bits in  
What, man got the cart with us?  
Man get it clapping with the biscuit  
What, man wanna bark with us?  
Man's got some niggas over Brixton  
Put their hands on their heart with us  
Handled some niggas with the kitchen  
And they were far from us  
Couple Catholic niggas and some Christians  
Couple Muslims that march with us  
Pap-pap for them niggas that are snitching  
Niggas span in the car from us  
Man just with Gunna Dee and Wax there  
Nigel and Clark with us  
Somebody's gonna get a slap, yeah?  
If man wanna talk to us  
What, man think that they can bring it back, yeah?  
What, man wanna park the bus?  
And think that they can bring the crack, yeah?  
Man whip the marvellous  
Chandelier  
Flow's looking marbler  
Radio, tell him bring her back, yeah?  
And send a barber up  
Mad heavy niggas from US now

Stand in the dance with us  
Man tell me "Hollowman, you're cold, man"  
And brought the jargon up  
Yeah, Giggs putting niggas on the map now  
And booked the class for us  
Man with some niggas in the background  
Strap and a mask, you know  
MAC and a mask, you know  
Yeah, 'cause the strap, gotta mask it up  
Yeah, chat got you niggas in a mess now  
Pap-pap, got the casket up  
Been gym and you got a little chest now?  
Like fam wouldn't blast it up  
Man talking greazy on the website  
Man caught the bastard up

Haha  
I told you, you know, it's a fucking horror movie  
Yeah  
Ahh  
Watch it, watch it, watch it  
Yeah, yeah, yeah, yeah, yeah, yeah
