Linguo

Giggs

[Donae'o:]
Shout out to my niggas on the wing, though
My niggas walk in with it like it's legal
Got two bitches kissing, bilingual
They don't even understand my lingo
That's the money link, though
I love my money pink and all in singles
Baby, bring that pussy this way
But don't worry 'bout a ting, though

[Giggs:]
Man's up and I'm up in the palace
'Gnac cup and I'm puffing the chalice
Huff and I puff on the baddest
Chick buffer and buffer the gyalist
I like 'nuff of them up in the garage
Fuck it, I'll cover the damage
Just bring couple of, couple of Karens
And bring couple of, couple of Sharons
Buss it or buss up your cannon
Buss up your, buss up your cannon
'Nuff of them up in the cabin
'Nuff of them up and they're grabbing
Man are just up in there crabbing
Nuttin' can stop 'em from gagging
I bob and weave, little ducking and jabbing
Shit's nuts, man, you couldn't imagine
