

List Hello

Giggs

Hold tight the ladies on the next slow it right done
Yeah hollow...

They Ain't got a girlfriend or something (haha)
They can't make tunes for the gyalem
Baby I'm looking a slice
When I am tricking it right gotta look in eyes (jheese)
No complains I ain't looking to fight
Cause your tight pum pum got me living lie
I ain't into cocain and your pussy ain't fly You know it ain't like t
hat I will be chilling it nice
Don't be silly alright
Mantize is muslim and even he said your looking alright (haha)
Hot girl your looking july
Yea the rays of your beauty
God should've put in the sky Ooh...
I had to bat up kyze still cause even he try to look on a sly UUMMM
Look how to greasy your body is
Precious artifact call me archaeologist
Show me what you are offering
I ain't into losing anything
So I gotta win

Girl so love round good world
You should know (you should know)
List hello is to ruin your soul (oh yea... ahhh) (2x)
Just wanna call you my own

Bad day cought me with a bag full of grade
Anyone can tell you felt bad for me babes
Sat day I was like grab me a trey
And when we are chilling out I put badness away (jhesse)
Why? cause your my princess
If youheard I had a shootout
You were impressed
But chill out everything blessed
And she got my meal out and my ting pressed UMM
I'm a invest in your love zone general intressted
I know I am always in debt for keeping me in check
You know everything best (jhesse)
No telling my luck
I ain't giving a f**k
Your iced out with delicate touch (shhh)
And you keep my intelligence up
And god knows I ain't giving you up

Girl so love round good world
You should know (you should know)
List hello is to ruin your soul (oh yea... ahhh) (2x)
Just wanna call you my own
