

# Superheroes

Giggs

Swoop, swoop  
Man's a swooper  
Man ain't superheroes  
Man's just super  
Man just scoop that Cooper  
Man's a scooper  
Man just banged that shoot out  
Man got shoot up  
Man rolled up and banged out  
Man got boot up  
Man rolled up, strap hanged out  
And banged that group up  
Man stand up, that's man down  
And bang that coop up  
Man caught slipping, flexing  
Man banged that suit up  
M-man got grouped up  
You know that ride there?  
Man's on souped-up  
Man's got two pumps, one nine  
Now man's got two tucked  
Man can get that version  
But man's got to cut  
Man's them shooters shooting  
I see man's got new ducks  
Man wanna let that yout in  
I see man's got new bucks  
Man wanna get that stupid  
I see man's got new guts  
Man better get that loop in  
Because man's getting moved up  
Man-man's a shooter  
Man's no superhero  
Man's the future  
Get that group chat working  
Man's a grouper  
You's a Koopa Troopa  
And man's King Koopa  
Get that pussy popping  
Boop, here's a blooper  
Fuck off, Addison  
Use a Uber  
Man ah beat that chick  
Use a Krueger  
Man don't take no Ls  
You's a loser
