

# Can I Leave the Rest Up to You

Gilbert O'Sullivan

Now I'm not about to  
Say what I'd like to  
Other than hope that I will  
Have you a question  
Here's my suggestion  
Don't if it makes you feel ill

You have such a sweet face  
This is a neat place  
Here's what I think we should do  
If I make a start by being willing  
Can I leave the rest up to you  
If I play my part and it's thrilling  
Can I leave the rest up  
Can I leave the rest up to you

Must tell you something  
If there is one thing  
You have that I can't resist  
No use in trying  
I would be lying  
Truth is there is at least six

That dress you are wearing  
Pardon my staring  
Seems to be spoiling the view  
If I take it off while you're in it  
Can I leave the rest up to you  
If I take it off right this minute  
Can I leave the rest up  
Can I leave the rest up to you

I'd give my right arm to have her  
And let's assume that the answer is yes  
What will she do when she sees you have one arm less

I feel like I've known you  
As long as I've known you  
Which as you know is tonight  
Not that it matters  
If there's no hereafter  
Ask anybody who's died

Your room is so gorgeous  
Bed is enormous  
Made I'd imagine for two  
If I get undressed and get in it  
Can I leave the rest up to you  
If I do my best and begin it  
Can I leave the rest up  
Can I leave the rest up to you
