

## Divorce Irish Style

Gilbert O'Sullivan

In answer to your question  
You've made a big mistake  
But in the eyes of God  
That's a risk you have to take  
Divorce Irish style  
Unless of course your privileged  
With a cardinal up your sleeve  
Hope of an annulment is  
Unlikely to succeed  
Divorce Irish style  
How can two people live together  
When they've fallen out of love  
Are we so blind  
As to reject the pain they fell  
What right has anyone to say you must  
Even God himself can't be the judge  
We've only one life after all  
And if it's not our fault  
Why can't we be released  
Something must be done  
And that something must be done urgently  
Forget it ever happened  
Go away and start anew  
You love each other surely  
Well at least you used to do  
Divorce Irish style  
How can two people live together  
When they've fallen out of love  
Are we so blind  
As to reject the pain they fell  
What right has anyone to say you must  
Even God himself can't be the judge  
We've only one life after all  
And if it's not our fault  
Why can't we be released  
Something must be done  
And that something must be done urgently  
Think about the children  
After all they must come first  
Okay she's found another man  
Oh well it could be worse
