

## Friday Night (Say Yeah)

Paul Gilbert

It's Friday night  
It's much too late  
I know we missed  
The subway train  
Don't want to go  
Home anyway  
Just say yeah  
Yeah, yeah, yeah

I know we've had  
Too much to drink  
I'd call my dad  
But I know what he thinks  
So won't you stay  
Oh, don't go away  
Just say yeah  
Yeah, yeah, yeah yeah

I feel so good sitting here next to you  
And knowing that you're mine  
The music's good, the lights are low  
But I can still see  
You're sure enough looking fine

It's Friday night  
At least it was  
It must have gone  
With my beer buzz  
But you could stay  
Oh, don't go away  
Just say yeah  
Yeah, yeah, yeah  
Just say yeah  
Yeah, yeah, yeah  
Just say yeah  
Yeah, yeah, yeah
