

Blue Grass Mosquito

Gilby Clarke

Can't sing the blues in this crowded room If
nobody will buy me a drink A simple drink, it's unhappy hour Bu
ry me on
Bourbon St. I lost the power over you I miss the power over you

Let's celebrate, all the cheap things Sucking
down booze with my strength What happened to the naked truth It
vanished
with the weakest fight I lost the power over you I miss the pow
er over
you

Blue Grass Mosquito, Blue Grass Mosquito I
lots the power over you

Can't sing the blues in this crowded room If
nobody will buy me a drink A simple drink, it's unhappy hour Bu
ry me on
Bourbon St.
