

It's Good Enough For Rock And Roll

Gilby Clarke

I never saw the trouble in front of me
I never felt the whip come down
Found my suicide motel room key
It took an ol' blind bloodhound

My record players broken again
The red lights flickerin'

If it's good enough for rock n' roll
Well it's good enough for me
If it's good enough for rock n' roll
Well it's good enough for me

Waiting for this liquor store thief
Just a lawyer in a fake pony skin
Stolen from yesterdays bleed
Bring your own bottle of sin

Thought I saw your silhouette
Buy my alcohol goggles are cracked

If it's good enough for rock n' roll
Well it's good enough for me
If it's good enough for rock n' roll
Well it's good enough for me

Tell me how you want it
I ain't getting down on my knees
Show me how you goy it
I ain't getting down on my knees
My record players broken again
The red lights flickerin'

If it's good enough for rock n' roll
Well it's good enough for me
If it's good enough for rock n' roll
Well it's good enough for me
