

Monkey Chow

Gilby Clarke

I got this dirty politician in my pocket full of greed
I take him out for parties and I let him do his thing
Did you see that silver T.S.
Showing off his new glam man
He pushed his plataform boots
Throught his bitches velvet pants
Gonna wanna get it
Gonna wanna spank it
Gonna wanna spend it faster than you can

Smash, fast, smash
Let the monkey do his thing

What you gonna do
When you get everything you want?
Someone's gonna tell you everything you

Want is wrong
Gonna wanna get it
Gonna wanna spank it
Gonna wanna spend it
Faster than you can

Smash, fast, smash
Let the monkey do his thing
