

Capgras

Gilla Band

I didn't realise it 'til it caught air
I didn't read the small print
I hate Ryanair
I ramble and give up
Once upon a shut up
For donkey's years
Limping with scissors
I rattle when I'm shook
In the beginning of the middle
Shit shit shit Shut up- Shut up
Last minute goal
Sensational
The inflatable
Uncle social
Laps it up by the mouthful
Fly off the handle
It's the leg of the table
And at the end of the day, that's football
