

## Caveat

Gilla Band

Scale electric  
Vampyroteuthis  
Finger shock toe push  
Shot that octopus

Bobbing for basins  
The longest nostril hair  
Bollock-naked left  
Legend alert

Stripped back stadair gno  
Caveat emptor  
The bang of joysticks  
Forked chopsticks  
Stripped back stadair gno  
Caveat emptor  
The bang of joysticks  
Forked chopsticks

Velvet crunch just swelled, just swelled, just swelled, just swelled  
Velvet crunch just swelled, just swelled, just swelled, just swelled

Scale electric  
Vampyroteuthis  
Finger shock toe push  
Shot that octopus  
Velvet crunch just swelled  
Where are all the shoe-dies?  
Bobbing for basins  
Bobbing for basins
