

Prefab Castle

Gilla Band

Two-nil at the final whistle
Thumbtack hatcher is bog-toed
Crunchy Percy is train erected
Dead Hollyhead in cine-morgue
Kissed like snooker balls a lot-mint
Face framed by fringe and by fridgits
Snook chewing gums in a mouth disco
Post haste be late and then if so

If so, this so...

When it's depressed
Still in love
When it's happy
Still in love
When it's all sad
Still in love
When it's anxious
Still in love
When it's depressed
Still in love
When it's happy
Still in love
When it's all sad
Still in love
When it's anxious
