BELIEVER

Gilli

Come fit these hoes in the two-seaters
Can't tell my life through these two speakers
Spent all my paper on Maria
You can't walk a mile in my sneaker'
There's a lot of shit I've seen
I ease my pain wit' that Maria (yeah)
And I'm searchin' for my piece
Did she say: "Make me a believer", yeah, yeah

Alting er sat i sport, eksport, import, transport
Har min datter i Celine, (yea) har min søn i Dior (uh)
Tranquil, fucking tranquil, kig på os nu livet det for kort (ja)
Ja vi kom rigtig langt, plejed' sælge chopper nede i den der gård
Ja, omvendt robbery – nu fylder vi banken op med de der skejs Sahbe, ja det godt at se
Du enten med eller imod, normalt vi kender ik frienemies
Ik få mig til at rul op på siden, youngin' bror han sender 10'

Come fit these hoes in the two-seaters
Can't tell my life through these two speakers
Spent all my paper on Maria
You can't walk a mile in my sneaker'

Did she say: "Make me a believer", yeah, yeah

There's a lot of shit i've see-n-n
Euro Connection – money tea-m-m
Min bror, vi snakker kun fra hjer-tet
Bad bitch, fra Medellín-n-n
Drop top, pust up Ferrari
Min silkeskjorte Versace
Ikk' nogen traficante
Men det' smagen af det sød' liv, uh mami
Dior, Dior, Chanel
Set så meget vi ikk' ka' nå at fortæl'
Mami, den ta'r vi når vi' hjem'

Come fit these hoes in the two-seaters
Can't tell my life through these two speakers
Spent all my paper on Maria
You can't walk a mile in my sneaker'
There's a lot of shit I've seen
I ease my pain wit' that Maria (yeah)
