**Gilli**

Na, na, na, na, na, na, na
Zagadat

Mama, hvorfor vil' de snak' om de ting vi ser
Vi' alen', og der' ikk' nogen her
Mama, de snakker om de ting, vi ser
Vi' alen', og der' ikk' nogen her
De ting vi går igennem, når' vi' født herud'
24/7, vi' på hele ugen
Ho-hold dig fokuseret, brormand
Hold dig ind' i zonen
De ting vi går igennem, når' vi' født herud'

Er der nok i?
100 flasker 'pagne ind' i lobby'
Det' en livsstil, ikk' en hobby
Små kakkelakker går i copy
Er-er-er der nok i?
100 flasker 'pagne ind' i lobby'
Det' en livsstil, ikk' en hobby
Små kakkelakker går i copy

Yo, me can't flow wrong, me can't go wrong
Me no live me life up like lose as them
Mami go and stay strong, me one day a front
My mama tell me: "Boy you can't lose"
Yeah, me can't flow wrong, me can't go wrong
Me no live me life up like fake as them
Mami go and stay strong, me one day a front
My mama tell me: "Boy you can't lose"

Saw me walk and my head, I up

[?], check, I up
No man can cross, so stress, I up
I no lie, man, I tell you
No fake thing, we are grind' for the level
Man just a ground down, walk with no rebel
We're clean, [?], we're no devil
As so we living our life with no war

Er der nok i?

Små kakkelakker går i copy

My mama tell me: "Boy you can't lose"

Min bror, vi' op, min bror, vi' op
Der' ikk' noget tid til at spild' tiden
Min bror, vi' op, min bror, vi' op
Der' ikk' noget tid til at spild' tiden
Mama, hvorfor vil' de snak' om de ting vi ser
Vi' alen', og der' ikk' nogen her
Mama, de snakker om de ting, vi ser
Vi' alen', og der' ikk' nogen her

Verdenen kører stadig rundt, nah, der' ingen ting nyt
Og selvom vi har dårlige dage, ska' du ikk' føl' skyld
Du ved din bror han har dig, får det hel' til at flyde
Pakker tasken, hurtigt ind i flyet

Yo, me can't flow wrong, me can't go wrong
Me no live me life up like lose as them
Mami go and stay strong, me one day a front
My mama tell me: "Boy you can't lose"
