

Didn't I

Gillian Welch

Didn't I hear somebody talking? Didn't I?
Didn't I hear somebody talking? Didn't I?
Didn't I hear somebody talking?
Down in the alley, saw you were walking
Now, didn't I hear somebody talking? Didn't I?

Didn't I spend all my money? Didn't I?
Didn't I spend all my money? Didn't I?
Didn't I spend all my money?
Buy a tailor-made suit for your honey
Didn't I hear somebody talking? Didn't I?

Now, didn't I save all my kisses? Didn't I?
Didn't I save all my kisses? Didn't I?
Didn't I save all my kisses?
Make your bed, wash your dirty dishes
Didn't I hear somebody talking? Didn't I?

Now, didn't I try makin' you happy? Didn't I?
Didn't I try and make you happy? Didn't I?
Didn't I try and make you happy?
Wave goodbye to my mom and pappy
Now, didn't I hear somebody talking? Didn't I?

Didn't I hear somebody talking? Didn't I?
Didn't I hear somebody talking? Didn't I?
Didn't I hear somebody talking?
Down in the alley, saw you were walking
Now, didn't I hear somebody talking? Didn't I?

Didn't I?
Didn't I?
