The Way It Goes

Gillian Welch

Becky Johnson bought the farm
Put a needle in her arm
That's the way that it goes
That's the way

And her brother laid her down
in the cold Kentucky ground
That's the way that it goes
That's the way

That's the way that it goes

That's the way that it goes
Everybody's buyin little baby clothes
That's the way that it ends
Though there was a time when she and i were friends

Well Miranda ran away
Took a cat and left L.A.
That's the way that it goes
That's the way
She was busted broke and flat
And had to sell that pussy-cat
That's the way that it goes
That's the way

That's the way that it goes Everybody's buying little baby clothes That's the way that it ends Though there was a time when he and i were friends

See the brightest ones of all
Early in October fall
That's the way that it goes
That's the way
While the dark ones go to bed
With good whiskey in their heads
That's the way that it goes
That's the way

Now Billy Joe's back in the tank You tell Russo i'll tell Frank That's the way that it goes That's the way Did he throw her down a well Did she leave him for that swell That's the way that it goes That's the way

That's the way that it goes Everybody's buying little baby clothes That's the way that it ends Though there was a time when all of us were friends

When you lay me down to rest Leave a pistol in my vest That's the way that it goes That's the way do you miss my gentle touch did i hurt you very much
That's the way that it goes
That's the way

That's the way that it goes Everybody's buying little baby clothes That's the way that it ends Though there was a time when you and i were friends
