

## Wella Hella

Gillian Welch

Wella-wella, hella-hello, honey, hello  
Tell me nice and slow, ain't you got a name?  
'Cause I gotta know  
Wella-wella, hella-hello, honey  
Wella-hella, hello

Now, I've been sittin' just right here  
And you've been sittin' over there all night  
And it's getting late  
Wella-wella, hella-hello, honey  
Why must you hesitate?

Wella-wella, hella-hello, honey, hello  
Tell me nice and slow, ain't you got a name?  
'Cause I gotta know  
Wella-wella, hella-hello, honey  
Wella-hella, hello

I can shimmy and shing-a-ling  
Bunny hop and shake a thing alright  
If you take a chance  
Wella-wella, hella-hello, honey  
Don't you wanna dance?

Wella-wella, hella-hello, honey, hello  
Tell me nice and slow, ain't you got a name?  
'Cause I gotta know  
Wella-wella, hella-hello, honey  
Wella-hella, hello

Now tell me, honey, is it Mary Anne  
Mary Ellen, Peggy Sue, or Jean  
Or Etta Loreen?  
What am I gonna call you  
When you're in my dreams?

Wella-wella, hella-hello, honey, hello  
Tell me nice and slow, ain't you got a name?  
'Cause I gotta know  
Wella-wella, hella-hello, honey  
Wella-hella, hello
