

# Missin' You Like Crazy

Gina G

I wake up to the sound of rain  
And as I lie alone  
I think about you baby  
Since you left nothing's been the same  
My life's been upside down  
Can't get myself together

I can't even sleep but do the things I always used to do  
Maybe it's 'cause I'm missing everything about you  
And sometimes at night I turn the radio on  
But it's the same sad song

I've been missing you like crazy  
It's a strain on my heart  
Everything I ever lived for has been torn all apart  
And baby you know that I never wanted  
For us to go on separate ways  
(so I keep praying baby that you will come back to me)

Unfortunately for myself  
I've been relying on you  
To give me all your loving  
You said through sickness and through health  
That you would never leave me  
But maybe I was dreaming

I can't even sleep but do the things I always used to do  
Maybe it's 'cause I'm missing everything about you  
And sometimes at night I turn the radio on  
But it's the same sad song

I've been missing you like crazy  
It's a strain on my heart  
Everything I ever lived for has been torn all apart  
And baby you know that I never wanted  
For us to go on separate ways  
(so I keep praying baby that you will come back to me)

The nights aren't cold but days are lonely and sad (so sad)  
And I can't stop thinking 'bout the good times we've shared (you'll never know)  
Baby you'll never know just how much you mean to me  
And why I'm missing you, missing you, missing you  
Like crazy

I've been missing you like crazy  
It's a strain on my heart  
Everything I ever lived for has been torn all apart  
And baby you know that I never wanted  
For us to go on separate ways  
(so I keep praying baby that you will come back to me)
