

Better Than Monday

Ginger Root

Up and on again
But how long till I lose my head?
It's all the same
All the same
Here until the end
But tell me if I ever said
It's all the same
All the same

(Well, it's better than Monday)
It's time again
(Better than Monday)
It's time again
I can't see the way I've always felt

Trying all the dread
But how long till I lose my head
It's all the same
All the same

(Well, it's better than Monday)
It's time again
(Better than Monday)
It's time again
I can't feel the way I've always-
(Well, it's better than Monday)
It's time again
(Better than Monday)
It's time again
I can't feel the waiting that you do (Whatcha doing, whatcha doing?)

It's the waiting that you do (Whatcha doing, whatcha doing?)
It's the waiting that you do (Whatcha doing, whatcha doing?)
It's the waiting that you do (Whatcha doing, whatcha doing?)
It's the waiting that you do (Whatcha doing, whatcha doing?)
It's the waiting that you do (Whatcha doing, whatcha doing?)
It's the waiting that you do (Whatcha doing, whatcha doing?)
It's the waiting that you do (Whatcha doing, whatcha doing?)
It's the waiting that you do
It's the waiting that you do
It's the waiting that you do
