

Having Fun

Ginger Root

I know it's lonely
But it's alright, I don't know where I'm going
Why so slowly?
I turn around and tear the stitch I'm sewing

Ask if I care, I'll tell you one thing
Ask if I'll share, and I'll start running
Personally, I'm done
Having fun

So do you see me
Eye to eye, or falling in completely?
If I were to step outside, whoa

Haven't I shared too much of one thing?
Haven't I paired us with the wrong thing?
Personally, I'm done
Having fun

Saturday, it's gone so fast
No worries, no laughs
