

# Jeanie

Ginger Root

"Jeanie, can you hear me tonight?  
My view's all white  
So I'll just sit tight  
Singing, "Jeanie, can you hear me alright?"

Say

Stay warm and turn that radio light  
I'll sleep right through that quaking night

Now Jeanie, please repeat me  
The Johnson's alright  
Thanks to your enduring fight

Say

Stay warm and turn that radio light  
I'll sleep right through that quaking night
