

## Juban District

## Ginger Root

I don't know where  
You've been out again sometimes  
But is it a shame  
To throw out the things you thought were right?

Well I know what I can do  
I know what I can do  
I know what I can do  
I know what I can

It's so good to get down at the Juban District  
I'm choked up but you'd maybe pass me up

You're off in a daze  
Finding out what suits you right  
I'm struck and amazed  
Maybe now's the time to leave this site

Well I know what I can do  
I know what I can do  
I know what I can do  
I know what I can

It's so good to get down at the Juban District  
I'm choked up but you'd maybe pass me up

Well I know what I can do  
I know what I can do  
I know what I can do  
I know what I can  
It's so good to get down at the Juban District  
I'm choked up but you'd maybe pass me up

Ano hito sa  
Nani ga?  
Chotto ima fuan-sōna kao shita dake to sa  
Shi tenai wa yo betsuni  
Sō?  
Sō.

It's so good to get down at the Juban District  
I'm choked up but you'd maybe pass me up
