Ginger Root

I never wanted to, I never wanna stay
Up at the hotel, hotel, hotel, hotel
You would not find me, would not find me anyway
So now you go tell, go tell, go tell, go tell
All of your friends are wide awake, are wide awake
'Cause of the church bells, church bells, church bells, church bells
Out and around, you show the town then tiptoe back
On all those eggshells, eggshells, eggshells
I say

I've been groovin' lately
Have been movin', maybe
Karaoke now, baby
I do, I do

I did not know, I did not know what I should do
While you just laid there, laid there, laid there, laid there
And if I could, you know I would
I'd send my help to see if they'd care, they'd care, they'd care
Why? You should have gone and checked it
Twice, to lock it up and send it
How could I know? How could I know you wanted more
Than just to stay there, stay there?
So I say

I've been groovin' lately
Have been movin', baby
Karaoke now, baby
I do, I do

I've been groovin' lately
Have been movin', baby
Karaoke now, baby
I do, I do

Groovin' lately
Have been movin', baby
Karaoke now, baby
I do, I do

I've been groovin' lately
Have been movin', baby
Karaoke, baby

But I can't make you sing
I can't make you sing karaoke, babe
