Ginger Root

I can show it if I need to
But I don't know it, fate's the issue
Please don't blow it, no, you've got to
Listen up

Time is over, where'd it go to?
Fast and forward, it's been spent, dude
If you want it, now you've got to
Listen up

Have I grown colder since you've written?
And now I'm older, and so will it end?
Should I be bolder? No, you've got to
Listen up

You know I mean to
So what? For fun
So I can look cool
So what? It's done
You know I got a right to be so
