

Never Can Say Goodbye

Ginger Root

Never can say goodbye
Never can say goodbye

Even though the pain and heartache
Seems to follow me wherever I go
Even though I try and try to hide my feelings
They always seem to show
Now you tryin' to tell you're leaving me
But I have to say no
Tell me why
Is that so?

I don't want to let you go

Never can say goodbye
No, no, no, no, I
Never can say goodbye

Even though I've had enough
I start heading for the door
There's a very strange vibration
Piercin' me right to my core
It says, "Turn around you fool
You know you love her even more"
Tell me why
Is this so?

I don't want to let you go

Never can say goodbye, girl
Never can say goodbye
No no no, no no no, ooh

Never can say goodbye, girl
Never can say goodbye
No no no, no no no, ooh

Never can say goodbye
No, no, no, no, I
Never can say goodbye

I don't want to let you go

Never can say goodbye, girl
Never can say goodbye
No no no, no no no, ooh

Never can say goodbye, girl
Never can say goodbye
Never can say goodbye

There is a police man that just pulled up behind me
I'ma just use the first take [*tounge clicks*]
