

Only You

Ginger Root

If I lose it, I can't tell
What did you mean when you said it's a joke?
Oh baby, get right to it, how I felt
Before you blink, it ends

Watching if I lose my mind
Must I come to find
Only you?
Only you, ah

Come on, baby!
Only you
Come on, baby!

Please forgive me, first time out
Watch for the signs, 'cause I'm already broke
Oh baby, simply put it, someone else
Might lack your confidence

Darling, if you lose your mind
Must we tell no lies?
Only you
Only you, ah

Come on, baby!
Only you
Come on, baby!
Only you (O-N-L-Y, only you)
Come on, baby!
Only you (O-N-L-Y, only you)
Come on, baby!

Watching if I lose my mind
Must I come to find
Only you?
Only you?

Only you
Come on, baby!
Only you
Come on, baby!
Only you (O-N-L-Y, only you)
Come on, baby!
Only you (O-N-L-Y, only you)
Come on, baby!
