

## Two Step

Ginger Root

I'm wanting  
Oh, I'm wanting for our time again  
Wanting to be your friend

But I'm running  
Yes, I'm running from the past again  
Wanting it all to end

I should accelerate  
But why? I'm, I'm two steps from your home

I'll be there  
Yes, I'll be there when you arrive again  
Hoping it's all pretend

I can't see you  
I can't know that time again  
I won't seem friendly, accidentally, oh

I should accelerate  
But why? I'm, I'm two steps from your home
