

# Hello World

Ginny Blackmore

Hello, hello, hello world  
Hello, hello, hello world

Can't be doing this, can't be doing that  
All I wanna do is lay back  
Can't be sitting on a leather plaid sofa  
Brushing up my loafers, tryna make tracks  
All I wanna do is talk to you  
The girl outside my window  
But you got a greater story  
Than the one that's on HBO

Can't be doing that, can't be doing this  
All I wanna do is swim with the fish  
Can't be laying on a leather plaid futon  
Looking at my Louboutin's, acting like a bitch  
All I wanna do is hear the sea  
Hear it come crashing over me  
Bet it's got a greater story  
Than the one that's on the BBC

Hello, hello, hello world  
You're mine and I am yours  
Everywhere I go, you are so beautiful  
Hello, hello, hello world  
And all of your people  
Everywhere I go, you are so beautiful

H-E-LL-O to the world  
You are BE-A-U-TIFUL  
H-E-LL-O to the world  
You are BE-A-U-TIFUL

Tell me who you are  
Tell me what's your name  
Tell about the place from which you came  
I can see it in your eyes  
You're a beauty  
And it is my duty to pick your brain  
Come and lay under the stars with me  
And let your eyes go crazy  
Put your hands deep in the green grass  
Forget about your sad TV

Lift your head up, head up to the sky  
Tell me that it's not the prettiest sight  
Tell me you can find a greater painting  
Than the one that surrounds us daily

Oh, oh, oh  
You and me  
Oh, oh, oh  
The sky and sea  
Every mountain, every stream  
Baby that's my ecstasy

Hello, hello, hello world

You're mine and I am yours  
Everywhere I go, you are so beautiful  
Hello, hello, hello world  
And all of your people  
Everywhere I go, you are so beautiful

H-E-LL-O to the world  
You are BE-A-U-TIFUL  
H-E-LL-O to the world  
You are BE-A-U-TIFUL  
H-E-LL-O to the world  
You are BE-A-U-TIFUL  
You are BE-A-U-TIFUL  
You are BE-A-U-TIFUL

Hello, hello, hello world  
You're mine and I am yours  
Everywhere I go, you are so beautiful  
Hello, hello, hello world  
And all of your people  
Everywhere I go, you are so beautiful

H-E-LL-O to the world  
You are BE-A-U-TIFUL  
H-E-LL-O to the world  
You are so beautiful  
H-E-LL-O to the world  
You are BE-A-U-TIFUL  
H-E-LL-O to the world  
You are so beautiful

You are so beautiful
