

# Possession

**Ginny Blackmore**

In this particular scenario, I know where we're gonna go  
I'm director of the show, just let me  
In this particular collaboration, I'm the one who's demonstrating  
Aggression, 'cause boy I'm on a mission, yeah

Tell you what I'm interested in  
You being in my possession  
I'mma take you boy, I ain't messing  
You 'bout to be my possession

(Ready or not) I cannot contain it  
(Ready or not) I'm about to take it  
(Ready or not, ready or not)  
You 'bout to be my possession  
(Ready or not) 'cause boy my heart is stressing  
Thinking about what I could be missing  
(Ready or not, ready or not)  
You 'bout to be my possession  
You 'bout to be my possession

Boy I don't care about the way you feel  
You 'gon come around for real  
And yes, you're gonna thank me babe  
You'll say hooray  
I can be everything you want and more  
All you got to do is explore  
But I ain't gonna wait for that, I'm breaking down your door

Tell you what I'm interested in  
You being in my possession  
I'mma take you boy, I ain't messing  
You 'bout to be my possession

(Ready or not) I cannot contain it  
(Ready or not) I'm about to take it  
(Ready or not, ready or not)  
You 'bout to be my possession  
(Ready or not) 'cause boy my heart is stressing  
Thinking about what I could be missing  
(Ready or not, ready or not)  
You 'bout to be my possession

It ain't funny anymore, I'm obsessing over ya  
And I need you to oblige, 'cause I'm hotter than the sunrise  
It ain't funny anymore, boy I'm tearing down these walls  
And I need you to agree, or else you 'gon be the end of me

(Ready or not) I cannot contain it  
(Ready or not) I'm about to take it  
(Ready or not, ready or not)  
You 'bout to be my possession  
(Ready or not) 'cause boy my heart is stressing  
Thinking about what I could be missing  
(Ready or not, ready or not)  
You 'bout to be my possession

It ain't funny anymore, I'm obsessing over ya

And I need you to oblige, 'cause I'm hotter than the sunrise  
It ain't funny anymore, boy I'm tearing down these walls  
And I need you to agree, or else you 'gon be the end of me  
(Ready or not) 'cause boy my heart is stressing  
Thinking about what I could be missing  
(Ready or not, ready or not)  
You 'bout to be my possession
