

## Love And Emotion

Gino Vannelli

There's nowhere to run from the heat of the sun  
There's nowhere to hide from your face  
Black is the night, won't you show me the light  
The road only leads to one place

For your love and emotion  
I promise you love till I die  
Faith as deep as the ocean  
Keeps me believin' you're alive

There's nowhere to run from the things that we've done  
There's nowhere to hide from the truth  
Something is wrong when my woman is gone  
My world ain't no good without you

For your love and affection  
I give you my soul for all time  
Faith as high as a mountain  
Keeps me believin' you're mine

For your love and emotion  
I promise you love till I die  
Faith as deep as the ocean  
Keeps me believin' you're alive

(For your love and emotion...)
