## Love Is A Night

**Gino Vannelli** 

Hangin' out in New Orleans Diggin' on the bourbon scenes Just feelin' the vibes of the oncoming days There ain't no Texan chaparral To hide away all those southern belles Just thinking about that Georgian gal conjures a crazy

Love is a night Who really cares if it's wrong or it's right And all that I care You've been some life and love I could share

Got a thing in Tennessee She ain't about to marry me

There's never been a time she says yes and means no I had a case in carolin' From makin' love on rose wine It's strange how they come and they go

Love is a night Who really cares if it's wrong or it's right And all that I know You've been some life and love on the road

Love is a night I only know the moment is right As for the ladies I've known They mean so much when you're all alone
