

My Oh My It's A Miracle

Gino Vannelli

My oh my it's a miracle

Good morning love
Rise and shine
It's a beautiful day
And I feel fine
Come watch the sun light the sky
And sip a coffee you and I

Won't you give us a kiss now
Perchance a little more
No don't mind that witch
Peeking out next door
I feel like a lark sitting high up a tree
What's just another day to one man
Is a miracle to me

My oh my it's a miracle
(A miracle to me)
My oh my it's a miracle
(It's a miracle)

All the whining all the worry
All the fast friends and the fury
Oh dear lord
All the madness that used to move me
Simply don't behoove me
No more

Yeah let it rain let it shine
If I got you I got mine
Oh well hello sweet sanity
I'm alive and I'm smiling
And that's a miracle to me

My oh my it's a miracle
(A miracle to me)
My oh my it's a miracle

Now good morning love
And how are you
Does your old man seem
A bit too cheerful to be true
Excuse me if I shed a little tear joyfully
But when your hand's in my hand
Yeah when a woman really loves a man
It's a miracle to me

My oh my it's a miracle
(A miracle to me)
My oh my it's a miracle
(It's a miracle)
I'm ten miles high it's a miracle
(I'm ten miles high it's a miracle)
Look at my life it's a miracle
(It's a miracle)
