

Give It Up

Ginuwine

Oh-oh-oh listen girl
Ooh do you feel me?
Listen baby

I got a mansion on the hill where we can turn it out
Got three-four cars in my garage you can drive around
You can do your thing long as you don't disrespect me baby
We can make this house a happy home say you'll be my lady

Give it up (oh yeah baby)
Till the early morning (say you'll be mine)
Take your time
Girl keep it coming (keep it coming)
Cause it ain't no thing when it's time to bang
We can make some noise
Just drop 'em down to the ground
And baby just give it up

I've got a thing for you baby I can't let it go
We can shop around the world nobody has to know
Wanna break you off in my friend's loft
Sippin' Pérignon
Back in that jet ain't finished yet
Till we get back home

Give it up
Till the early morning (you)
Take your time
Girl keep it coming
Cause it ain't no thing when it's time to bang (oh it ain't no thing, oh no)
We can make some noise
Just drop 'em down to the ground (oh no baby)
And baby just give it up

Don't stop, give it up
Baby I want you to get down on your knees
I'm gonna make you scream (don't stop)
Oh yes I am (I know you're hot)
Cause girl I've got just what you need

Give it up
Till the early morning
Take your time (take your time)
Girl keep it coming
Cause it ain't no thing when it's time to bang
(It ain't no thing when it's time to bang)
We can make some noise
Just drop 'em down to the ground
(Just drop 'em, drop 'em down to the ground)
And baby just give it up

Oh baby it feels so good to me
I wanna lay you down baby
I wanna break it down to your knees

Give it up
Till the early morning

Take your time
Girl keep it coming
Cause it ain't no thing when it's time to bang
We can make some noise
Just drop 'em down to the ground
And baby just give it up

Give it up
Till the early morning
Take your time
Girl keep it coming
Cause it ain't no thing when it's time to bang
We can make some noise
Just drop 'em down to the ground
And baby just give it up
