

## Intro (A Man's Thoughts)

Ginuwine

To all my fans  
I wanna thank you for supporting me for the last 13 years  
This one's for you  
This is...man's thoughts

The intensity of natural reaction brought forth to light  
That sometimes makes us fall victim to life's obstacles  
That's man's thoughts (He's back!)  
Knowing that success is not always obtainable but not to fear  
And stay self-  
effacing but strong, meek, but steadfast on one's dream  
That's man's thoughts  
A self-proclamation of sufficient substance gradually proclaimi  
ng the forefront  
Being a witness to what is real and what is  
That's man's thoughts  
One new level to conquer, what's standing in front of him defin  
e what should or should not happen  
But relishing in just the thought  
That's man's thoughts  
These are the tests, and this is the teacher  
Ladies and gentlemen, may I present to you, the legend, Ginuwine  
And this is man's thoughts  
Yeah, man's thoughts...man's thoughts...
