

# GOD'S TIMING

Gio

Haha, say it  
Say it, say it, say it, say it  
Yeah, yeah, yeah, yeah, yeah, yeah  
Okay, okay  
Yeah

God's timin', God's timin', uh  
Sometimes I just need remindin' (Yeah)  
This ain't Virgil, but it's just how God designed it  
And I know for sure that pressure make diamonds  
God's timin', God's timin' (Like diamonds)  
Sometimes I just need remindin'  
This ain't Virgil, but it's just how God designed it  
And I know for sure that pressure make diamonds

Its' all in God's timin'  
Woah (Woah), woah (Woah), woah (Woah), woah (Woah), woah (Woah), woah  
All in God's timin'  
Woah (Woah), woah (Woah), woah (Woah), woah (Woah), woah (Woah), woah  
Yeah, all in God's timin' (Let's get it)

Look, He told me, "Don't be dismayed" (Okay)  
Look, I know I could do all things, He keep on givin' me strength (Philippians)  
I don't say too much, but I go through a lot, and I keep my faith  
I don't say too much, but I go through a lot, and I keep on prayin'  
Yeah, and I can't lie (Lie, lie)  
Said turn my cheek, I don't trust these folk, I'ma trust in God, yeah  
Don't get a mistake in, I get impatient, check my pride  
And I'm watchin' my wrist just full of faith 'cause He got the time (Rollie)

All in God's timin', God's timin', uh  
Sometimes I just need remindin' (Okay)  
This ain't Virgil, but it's just how God designed it  
And I know for sure that pressure make diamonds  
God's timin', God's timin'  
Sometimes I just need remindin'  
This ain't Virgil, but it's just how God designed it  
And I know for sure that pressure make diamonds (Let's get it)

Its' all in God's timin'  
Woah (Woah), woah (Woah), woah (Woah), woah (Woah), woah (Woah), woah  
All in God's timin'  
Woah (Woah), woah (Woah), woah (Woah), woah (Woah), woah (Woah), woah  
Yeah, all in God's timin' (Let's get it)

Check the records, He ain't fail me yet (You can check it)  
Uh, if you count it up, still look like we blessed  
Handin' it up to God, let Him do the rest  
And I got a testimony, 'cause I've been through-

God's timin', God's timin', uh  
Sometimes I just need remindin' (Yeah)  
This ain't Virgil, but it's just how God designed it  
And I know for sure that pressure make diamonds  
God's timin', God's timin'  
Sometimes I just need remindin'

This ain't Virgil, but it's just how God designed it  
And I know for sure that pressure make diamonds (Let's get it)
