Gio

Yeah

I do what I want  
I never listen to them do what I please  
I'm on a killing spree  
I do what I need  
See what I wanna see  
I work for me  
Yeah  
I'm on a mission  
When are all the haters gonna listen  
Two girls in one night now that's efficient  
You can't talk me down because I'm driven  
Now you see  
I'm on a mission  
When are all the haters gonna listen  
Two girls in one night now that's efficient  
You can't talk me down because I'm driven  
Now you see

I call the plays you like GIO that's a phase huh  
She playing games with me so you in Faze huh  
Posing on the gram say she do MDMA huh  
College girl so she got a big brain huh  
Say she can't wait till the kid get famous  
Top floor like Travy too dangerous  
I'm a rolling stone Mick Jagger entertainer  
Night show and you know you can't contain us  
Now I'm wide awake  
Stuck up in my head at 3am my hiding place  
She brought the liquor and her friends  
And we gon get high today  
I don't mind the wait  
She don't mind the games we play

I do what I want  
I never listen to them do what I please  
I'm on a killing spree  
I do what I need  
See what I wanna see  
I work for me  
Yeah

I'm on a mission  
When are all the haters gonna listen  
Two girls in one night now that's efficient  
You can't talk me down because I'm driven  
Now you see  
I'm on a mission  
When are all the haters gonna listen  
Two girls in one night now that's efficient
