

## For What It's Worth

Girl in a Coma

There's something happening here  
What it is ain't exactly clear  
There's a man with a gun over there  
Telling me I had got to beware

I think it's time we stop, children, what's that sound  
Everybody look what's going down

There's battle lines being drawn  
Nobody's right if everybody's wrong  
Young people speaking their minds  
Getting so much resistance from behind

Stop, hey, what's that sound  
Everybody look what's going down  
What's going down

What a field-day for the heat  
A thousand people in the streets  
Singing songs and they carrying signs  
Mostly say, hooray for our side

It's time we stop, hey, what's that sound  
Everybody look what's going down  
What's going down

Paranoia strikes deep  
Into your life it will creep  
It starts when you're always afraid  
You step out of line, the man come and take you away

We better stop, hey, what's that sound  
Everybody look what's going down

Stop, now, what's that sound  
Everybody look what's going down

Stop, children, what's that sound  
Everybody look what's going down

Now stop, now, what's that sound  
Everybody look what's going down

Stop, hey, what's that sound  
Everybody look what's going down  
Now stop, now, what's that sound  
Everybody look what's going down  
Stop, children, what's that sound  
Everybody look what's going down  
Now stop
