

Take A Picture

Girl Next Door

Awake on my airplane
Awake on my airplane
My skin is bare
My skin is theirs
Awake on my airplane
Awake on my airplane
My skin is bare
My skin is theirs

I feel like a new-born
And I feel like a new-born
Awake on my airplane
Awake on my airplane
I feel so real

Could you take my picture
'Cause I won't remember
Could you take my picture
'Cause I won't remember
Could you take my picture
'Cause I won't remember
Could you take my picture
'Cause I won't remember, yeah

I don't believe in
I don't believe in your sanctity, your privacy
I don't believe in
I don't believe in sanctity or hypocrisy
Could everyone agree that no one should be left alone
Could everyone agree that they should not be left alone
And I feel like a new-born
And I feel like a new-born, kicking and screaming

Could you take my picture
'Cause I won't remember
Could you take my picture
'Cause I won't remember
Could you take my picture
'Cause I won't remember
Could you take my picture
'Cause I won't remember, yeah

Hey dad, what do you think about your son now?
Hey dad, what do you think about your son now?

Could you take my picture
'Cause I won't remember
Could you take my picture
'Cause I won't remember
Could you take my picture
'Cause I won't remember
Could you take my picture
'Cause I won't remember

Could you take my picture
'Cause I won't remember
Could you take my picture

'Cause I won't remember, yeah
